**PTI Introduces a Free Gap Analysis of Your Pharmaceutical Inventory**

URBANDALE, IA (March 6, 2009) PharmWaste Technologies Inc. (PTI), today announced they will offer a gap analysis of a pharmacy's inventory free of charge.

Has your facility identified which pharmaceuticals are hazardous waste by RCRA and state regulations? If so, take advantage of a free offering by PTI. PTI will perform a free analysis of your current pharmaceutical waste classifications. This no obligation offering will introduce you to any shortcomings in your current analysis.

"We welcome the opportunity to showcase the accuracy and thoroughness of our database," said Jeff Hollar, President of PharmWaste Technologies. "Our extensive experience and expertise in pharmaceutical waste evaluation and identification is highlighted in this offering. Our findings have certainly has raised some eyebrows." says Hollar.

About PharmWaste Technologies - PharmWaste Technologies Inc. is an industry leader in providing solutions surrounding the complex area of pharmaceutical waste through a combination of industry experience and innovative software. For more information call (515)276-5302 or email JHollar@pwaste.com.
