PTI Partners With Amerinet

URBANDALE, IA (May 1, 2009) PharmWaste Technologies Inc. (PTI), a leader in pharmaceutical waste identification, is pleased to announce the award of a national agreement with Amerinet, a market leading hospital group purchasing organization (GPO) serving more than 2,100 acute care facilities across the country. The agreement covers a three-year period effective May 1st through April 30, 2012

Amerinet Members will have access to PTI's Pharmaceutical Waste-ID Systems™ at a discounted rate.

"Amerinet is a fine organization and we are pleased to be associated with them." said Jeff Hollar, President of PharmWaste Technologies. "We feel this is a good partnership as both of our organizations are focused on providing solutions that are economical and environmentally preferred." says Hollar.

About PharmWaste Technologies - PharmWaste Technologies Inc. is an industry leader in providing solutions surrounding the complex area of pharmaceutical waste identification through a combination of industry experience and innovative software. For more information call (515)276-5302 or email JHollar@pwaste.com.

About Amerinet - As a leading national group purchasing organization in the United States, Amerinet strategically partners with healthcare providers to reduce costs and improve quality. Amerinet offers a comprehensive portfolio of product and service contracts to address members' specific needs. Based in St. Louis, Amerinet serves acute and alternate care site healthcare providers nationwide. To learn more, visit <http://www.amerinet-gpo.com>
