**PharmWaste Technologies to exhibit at
ASHES Annual Conference 2010**

URBANDALE, IA (June 21, 2010) PharmWaste Technologies Inc. (PTI), a leader in pharmaceutical waste stream identification announces it will exhibit at the ASHES 2010 annual conference in National Harbor, MD.

“As a member of ASHES, we are excited about the exhibiting at their upcoming convention.” said Jeff Hollar, President of PharmWaste Technologies. “Proper pharmaceutical waste management is becoming a bigger issue every day. We are eager to show how our pharmwaste identification systems can ensure regulatory compliance.” says Hollar.

The ASHES 2010 annual conference will take place in National Harbor, Maryland from September 26th-30th. Additional information on the ASHES conference can be found at www.ASHES.org.
